

M - Series **Car Holder**

# MWC680

3 in 1 Desktop 15W  
Magnetic Wireless Charging Stand

Mobile Phone

Watch

AirPod

- ✓ 16cm long-arm provides convenience for viewing.
- ✓ Qi wireless fast charging various devices for 15W, 10W, 7.5W and 5W IQ-enabled devices.
- ✓ The grip maximum can be extended to 90mm fit for up to 7" mobile phone.

## Product Specification

Power Input:	DC5V/3A, 9V/2A (18W)
Input Interface:	Type C
Wireless Output:	5W/7.5W/10W/15W
Wireless output for watch:	2.5W
Phone Charging panel Rotation:	30-degree rotation
Suitable for:	60-90mm mobile phone
Characteristic:	
1) 3 in 1 wireless charger	
2) Auto charging when device detected	
Material:	ABS+ PC Lens
Size:	98 x 106x145mm
Net Weight:	259g

M - Series **Car Holder**

# MWH660

2 in 1 Universal Long Arm and  
Air Vent 15W Wireless Charger  
Car Holder

- ✓ 16cm long-arm provides convenience for viewing.
- ✓ Qi wireless fast charging various devices for 15W, 10W, 7.5W and 5W IQ-enabled devices.
- ✓ The grip maximum can be extended to 90mm fit for up to 7" mobile phone.

## Product Specification

Power Input:	DC9V/1.67A (15W)
Charging frequency:	110-205Khz
Charging Distance:	3-6mm
Input Interface:	Type C
Rotation:	360 degree rotation
Suitable for:	60-90mm mobile phone
Characteristic:	1) One side button to open the grips 2) Auto clamp tightly with both sides grips
Material:	ABS+ PC+Acrylic+Silicone
Size:	71 x 145x115mm (Holder+ Suction)
Net Weight:	259g

M - Series **Audio**

# MME615

Type-C In-Ear Earphone

- ✓ 10mm enhanced driver delivers extreme bass with high
- ✓ Type-C connector Integrated high-resolution chips convert standard resolution audio to superior lossless audio signature sound.

## Product Specification

### Speaker

Driver	10 mm
Sensitivity	104dB±3dB
Frequency range	20 HZ-20K HZ
Impedance	16Ω Maximum
power input	10 MW
Rated power	3 MW

### Microphone

Sensitivity	36db
Impedence	2.2ohm
Dimension	2.2mm (D) X 1mm (H)

### Cable

Connectors Type	USB Type-C
Length	1200 mm±10%
Type	TPE
Weight	10g
